

Multi fork positioner

with load-extender for 1-2 and 1-2-3 pallets

The double fork positioner VDPK-C with load-extender can load and unload lorries from one side. Additionally, the attachment has all the advantages of the double fork positioner, i.e. sideshift, slim forks, handling of one or two pallets and positioning the pallets together. The stroke of the load-extender is sufficient for the standard vehicle width of 2400 mm. Model VDRPK-C made for handling of 1, 2 or 3 pallets.
